Dear Ken:

It was good to see you the other day and I am glad we had the opportunity to run through some specifics on the book. We will work with Jack O'Leary on plans for the promotional activity out here.

I received your wire regarding Dick's appearance in New York or Washington on publication date and will go over this with him as soon as we can get together after his return, and will let you know the decision.

I also have a letter from you dated February 1st regarding Dick's speaking to the American Booksellers' Association Convention in Washington. I very much doubt there will be any possibility of this appearance since our primary election is on June 5th and Dick of course could not be out of the state immediately prior to or on that date. I also think it is unlikely he would be able to come east the next day, but I'll check this.

Best regards.

Mr. Nixon received and greatly appreciated your letter of January 30th. Since all scheduling details are being handled here, he has asked me to advise you of arrangements thus far completed in connection with his appearance at the American Legion meeting on March 24th.

A letter from Mr. Kenneth G. Haymaker, Post Commander, has been received giving us details of the program. Mr. Booth Turner of our office will be in touch with him direct, or whomever he designates, and will work out details.

The thoughtful invitation extended by Mrs. Lagomarsino to entertain Mrs. Nixon was also gratefully received. According to present plans, however, it does not appear possible for her to accompany Mr. Nixon on this visit.

Dear Chad:

The attached was directed here, and is forwarded for your reply.

The run-down, for your information:

Davidge was contacted about the building three weeks ago, but apparently the contact between him and the Sandviks was never established. They are now working together, the Sandviks are using the old sign, and it is going up.

Yvonne Smith of our staff was the contact with the Sandviks. She has also talked with Davidge. Her most recent conversation was with Mrs. Sandvik, and she covered the building-sign set-up as well as other general area matters.

We have written the Sandviks from time to time, acknowledging the Pledge of Support sheets they have sent in. Copy of my letter confirming what Miss Smith has done is attached for your information.

To help reply to their first paragraph, second page of their letter, we have pulled the last two lists sent in and fax copies are attached which you can send them.

The other day I mentioned this young man who came by the office about a week ago. He was most interested in helping out - is a clean-cut, nice looking chap, young - perhaps late 20's. He was asking for Bob Haldeman, who was busy and couldn't see him. I went down to lobby and talked to him briefly, and suggested he fill out the green card and send it to me.

Don Mulford recommends RN make a personal telephone call to the party described below, who is reported to be disturbed with us because he can't get through to RN. The gist of RN's call should be appreciation for his good work in the past, and counting on him for help in this campaign.

**Fred E. Reed
100 Grand St., Oakland - TE 6-1326**

He is 83 years old; past president of the Realty Board, a millionaire, leaving \$1 million to Univ. of Calif. if they promise never to allow a Communist to speak on the campus; raised \$7,500 for RN's Senate campaign in 1950.

Use your own judgment.

Mr. Charles Farrington, Jr.

D. Wright

Yesterday I mentioned Mrs. Cowgill's phone call to me about a Mrs. Guffin - and her interest in having RN for a publicity shot at the opening of the International Flower Show.

Mrs. Guffin called. Apparently this is something (the show) that is being renewed -- and they want to do it up brown..... (no pun intended)

They want a picture of RN with the first person to purchase a ticket....and Mrs. Guffin said this could be set up anytime -- at RN's convenience -- at the Hollywood Turf Club. The date is March 16th for the actual opening.

I used your name, and advised her you would be checking with her further on the matter --

Dear John:

Thanks so much for your January 30th letter and the enclosed Pledge of Support Sheets.

I am writing your good friend and neighbor, 16 year old Lawrence Gould, and am enclosing copy for your information. This is interesting and of course we want to acknowledge and thank him for his help.

About Lou Quinn, we have already been in touch with him. He contacted us some time ago and, as a matter of fact, was in the office for a visit with me just last week. Of course, nothing will be done on this particular situation until the Finance Chairman has been appointed and is in full swing.

Many thanks again, and best regards.

Sincerely,

H. R. Haldeman

Dear Mr. Gray:

Mr. Nixon received and greatly appreciated your letter of January 25th in connection with the Gene Brito Dinner. Since all scheduling details are being handled here, he has asked me to advise you of arrangements thus far completed.

Mr. Booth Turner of our office has already been in contact with Chuck Benedict of the Rams, and has been working out the details with him. Mrs. Nixon regrets very much she cannot attend. The only person who might possibly accompany Mr. Nixon would be Sandy Quinn, his press aide.

We all wish the best for Gene Brito and know the dinner will be a great success.

Sincerely,

H. R. Haldeman

Dear Chad -

Just to report, I am asking Carol Arth to follow through and talk to Mrs. Florence Kenny. Her background is of course outstanding, and if something can be worked out, we will certainly do it.

Marguerite Wilson, who also contacted you, has had visits here at the office with both Carol Arth and Yvonne Smith. She is still seeking an appointment with me and I try to work this in; however, I'm afraid we just don't have a position suitable to her background and qualifications. Copy of my letter is attached for your information.

Dear Mr. Locken:

Miss Yvonne Smith has advised me of your recent visit with her and has given me a memorandum which contains your thoughts on a fund-raising effort.

As yet, the campaign organization does not include a staff member whose primary function will be in the fund-raising field. I am, therefore, taking the liberty of holding your presentation for transmittal to our Finance Chairman following his appointment. Should the scheme you have in mind be one which the finance people would like to consider, I am sure you will hear directly from someone in that area of our operation.

Meantime, however, I did want to acknowledge your thoughtfulness and your interest in our effort, and thank you very much for coming by the office.

Kind regards.

Sincerely,

H. R. Haldeman

Miss Marguerite G. Wilson

Dear Miss Wilson:

Both Mrs. Arth and Miss Smith have told me of their pleasant meeting with you in our office, and both were very impressed with your background. Mrs. Wright has also told me of your telephone conversation with her yesterday and your more specific indication as to the type of activity in which you are interested, namely agriculture, and field work in that as well as other areas, your thought being you would like to serve as my assistant.

I must regretfully tell you we do not have a position available which would be suitable and would fully utilize your excellent background and training. Too, we are limited as to funds available for staff.

We are very sorry not to be able to take advantage of your services in this connection, but are hopeful you may find it possible to volunteer some time to our effort in the months ahead to whatever extent you are free to do so.

We will certainly keep your file current, and should our situation change, will contact you. Since it is my understanding you are eager to become settled in a position, it would be most unfair to indicate anything here that would preclude your seeking another position.

Again, our sincere thanks for your interest, for your offer to be of assistance, and our very best wishes.

Sincerely,

H. R. Haldeman

Dear Mr. Mesnick:

Thank you very much for your
letter of January 23rd.

Your plans for the forum series
on gubernatorial issues sound interesting indeed.
It is the type program Mr. Nixon would like very
much to participate in if scheduling will permit.

At this time, a number of firm
commitments are already on the calendar for
April. However, your letter will be presented to
the Schedule Committee and will receive every
consideration.

Again may I say the invitation you
have extended is appreciated, and you will be hearing
from us just as quickly as possible.

Dear Flo:

Pat Hitt has forwarded to me your contribution to the Nixon for Governor campaign in the amount of \$200.00.

Need I assure you of our gratitude for your thoughtful and generous support? It is really appreciated, is needed, and will be put to good use.

I miss seeing all the good folks in Texas. Maybe you'll get out here some day. If so, please give me a call. Looks like I'll be pretty closely tied to California until November.

Best personal regards.

Mr. McClellan passed along to me your letter and the information relating to your background.

We are, of course, appreciative of your interest in the campaign and your desire to help out.

Until the Finance Chairman has been appointed, no decision will be reached on a staff man for fund-raising. I will, however, refer your letter to the Chairman and when the time comes to consider this subject, you may be sure it will receive every consideration.

Thank you again for contacting us.

Kind regards.

The letter to Father Tim is OK, but I thought his name was spelled differently -- without a d on the end -- or something.

Schwabacher's letter is fine, as is Lucille Hosmer's.

Den London probably should have a note. He had a bowl of fruit in the suite, as usual, and also as usual, the boss missed seeing him.

You should appeal to Rose to be put on the list for all RN's traveling schedules, since these are prepared by her.

RN Northern California Tour

Booth -

The Northern Californians tell me they have not been able to line up a plane for RN for the February 13th tour. We should, therefore, see if we can find a private plane which could be used to take him from Los Angeles to Mariposa on the night of the 13th, and from Jackson to Marysville the afternoon of the 14th.

I understand they do have a plane to take him from Sacramento to Tulalake and back to Redding on February 15th, but you should confirm this with Ruth Watson.

I guess he will then need a plane, unless they have one, to go from Red Bluff to Sacramento on the 16th.

The rest of the trip will be by car, and he can return to Los Angeles on the 17th by commercial after the San Jose dinner, but you should check availabilities for this leg.

Visit to L. A. Produce Market

RN would like to consider an early morning visit to the L. A. Produce Market -- on an unannounced basis, of course -- probably escorted by his vegetable man at home.

Will you please check out time and maximum activity in the Produce Market, which will probably be around 4:00 A. M., and then at your earliest opportunity go down there and thoroughly scout the scene at that time of day and give me a report re: hand-shaking and pictorial possibilities for an RN visit?

Dear Mike:

I have held off a reply to your letter of January 18th until my plans were definite.

Although I will be coming to New York with Dick, it will be necessary for me to leave before your dinner Wednesday night.

I'm really sorry to miss the event, and know you and the others will have a wonderful time.

Kindest regards.

Dear Mrs. Callahan:

Thank you very much indeed for your letter of January 29. Although I cannot at this time discuss definite plans in connection with publication of Mr. Nixon's book, he will appreciate, as do I, your thoughtful suggestion of an autograph party and reception at The White House. It will be passed along to those immediately concerned with this phase of programming.

Meantime, please know we are very grateful for your thoughtfulness in writing us. If it appears possible to work something out along the lines you have suggested, we will certainly contact you.

Dear George:

Many thanks for your note. It appears the time factor may preclude our writing Oliver Gale.

Actually, George, your suggestion was purposely held pending initial organization set-up. Too, there is a very real problem involved in bringing in out-of-state assistance.

However, this delay in following through in no way indicates a lack of appreciation on our part; on the contrary, Dick and I both appreciate your thoughtfulness in this connection.

Best to you and Jean and I hope our paths cross soon.

It doesn't look too hopeful for the March 21st invitation to Dick to attend your "Theatre Night" (Advise and Consent) event. He already has two trips into the area scheduled in February and it is extremely doubtful he will be back in San Francisco at that time.

However, this invitation will come up for consideration by the Schedule Committee and you will hear from us more positively just as quickly as possible.

Hope you will understand what we are up against in the scheduling area. Many thanks, and best regards.
