Dear Mr. Kerine:

I was asked by Mr. Ned Sullivan  
the advance man for Mr. Nixon, to send you clippings  
of papers of the Nixon Day in Johnstown, Pa. Oct. 24, 1960.

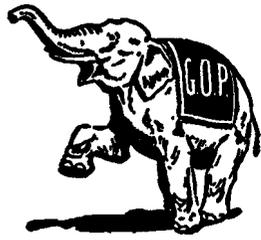

Enclosed you will find same and you  
may be interested to know that for the first time that  
we have been able to get anything in the Nanty Glo and  
Portage papers. Usually they are heavy with the
