November 2, 1960.

Mr. H. R. Haldeman,
Nixon Lodge Campaign Headquarters,
1146 Nineteenth St., N. W.
Washington 6, D. C.

Dear Mr. Haldeman:

Wilbur H. Hamilton, Republican City Chairman, Philadelphia, has referred your letter of October 29th to me in which you refer to newspaper clippings in connection with the Nixon visit here on October 5th.

On October 5th, when Herb Klein arrived here I gave him two sets of all clippings which were available. About three days later, I sent to your headquarters the clippings which appeared on October 6th and 7th.

Now, since you apparently did not receive the clippings, I have gotten together all which I could gather now, which I am enclosing.

Also, I am sending you a few clippings which appeared during the short visit here of Mr. Nixon on October 31.

A set of Lodge clippings in connection with his visit here on October 26th are also enclosed.

I regret there was a mix-up but hope this will be what you want.

With kind regards, I am,

Sincerely,

ROBERT H. DENEHEY
Publicity Director
