Mr. Nobuo Maruyama
719 Laukapu Street
Hilo, Hawaii

Dear Mr. Maruyama:

Through John Ehrlichman, I saw the marvelous set of photos which you had taken during Vice President Nixon's trip to the Islands on August 4.

They were very impressive, and I wonder if I could impose on your kindness for another set of these shots for my own file. They bring back warm memories of our pleasant trip on that date.

Sincerely,

H. R. Haldeman

Dear John:

Enclosed is a set of snap shots taken during Pat and Dick Nixon's short trip to Hilo, Hawaii, on August 4, which please forward to the Vice President and Mrs. Nixon.

Even in Hilo, we are keeping close touch on the Nixon campaign, and although we were saddened on our candidates illness, we are happy that he is back in full swing on the campaign route. Press reports surely look very encouraging, but hope that the Nixon campaigners will not be overconfident. We should be running scared and keep fighting and we will win this election.

The opposition in Hawaii are having difficulties due to the cancellation of Jack's promised trip here, and we are very happy that Dick made that trip to all the islands.

Hope this finds you in best of health and that you are kept busy planning for victory, and please convey my best wishes to Pat and Dick and assure both that we will do our best to carry Hawaii for them.

Aloha,

En c.

These points are to be used only as a possible check off list of items that others handling a similar reception might be interested in.

Dear Bob:

Thanks very much for your note and the enclosed newspapers.

We, too, felt that the visit was most successful and were certainly pleased with the tremendous crowd and enthusiasm which was generated. It was a fitting and exciting way to start off the campaign and I realize that your work was a great part in assuring its success.

Thanks very much for all of your help. I will be back in touch with you a little later regarding possible participation in the campaign.

Sincerely,

H. R. Haldeman

Dear Bob:

Thanks very much for your note and the enclosed newspapers. I hate to even suggest such a thing, but would it be at all possible to get another complete file of the papers that you sent. I realize this is a terrible chore, but if you could do it without too much trouble, it would be greatly appreciated. Actually, all I need are the papers for the second, third and fourth...the ones prior to the visit, or the one copy we now have, will be sufficient.
