Mr. Edward P. Saltiel
Lincoln-Dembits Republican League
77 West Washington Street
Chicago 2, Illinois

Dear Mr. Saltiel:

Thank you very much for your letter of June 14. I have been out in the Mid-west traveling with the Vice President and hence have not had a chance to answer it until now.

I have sent your invitation to the Vice President to address one of the meetings of the Zionist Organization of America to his office for consideration, and I am sure you will hear from them regarding this. I should advise, however, that it will be very difficult to commit the Vice President to an appearance during the period of August 25 - 28 at this time, for reasons which I am sure you understand.

We have had a number of discussions on the subject of the Lox & Bagel breakfast suggestion and are now in the process of investigating the costs and mechanics of the closed circuit setup. Your proposal and some notes of mine regarding same have been turned over to the campaign staff and they will be in touch with you as soon as the decision has been made.

You will be interested to know that while we were in St. Louis Tuesday, the Vice President participated in the dedication and ground-breaking ceremonies for the new Jewish Community Center. There was a good crowd in attendance and the Vice President was extremely well-received by this group.

I hope it will be possible to see you while we are in Chicago for the Convention and I assure you that action on your two proposals will be taken as quickly as possible.

Sincerely yours,

H. R. Haldeman

RE: ST. LOUIS SCHEDULE

Attached is draft of proposed schedule. I realize it is very involved and does not allow any free time. There is, however, a small amount of water all the way through.

I still need to confirm some of the driving times.

In reviewing this, bear in mind that the following are firm:

1. JC's until 11:45
2. Jewish dedication - 2:30 to 3:30 plus 1/2 hour driving time each way
3. Post Dispatch from 4:00 to 5:00

I think we are stuck with viewing the Riverfront; therefore the only things which can be adjusted or dropped are:

1. Visit to May's office
2. Press Conference
3. KMOX tape
4. Major contributors
5. Party meeting

There are, of course, strong reasons for not dropping any of these. The fat cats and party people would be combined but this would be very unsatisfactory and would probably result in a decision to drop the fat cats all together.

Will talk with you Monday.

The Honorable Richard M. Nixon
Vice President of the United States
United States Senate
Washington, D. C.

Dear Mr. Vice President:

It is my understanding that you plan to attend the annual convention of the United States Junior Chamber of Commerce to be held in St. Louis, Missouri the week of June 20, 1960.

A suggestion was made during a recent meeting held here in Omaha that the State Coordinators of the Volunteers for Nixon could very easily be in St. Louis for a conference with you at that time making suggestions and reports on the progress in different areas of the Midwest. I am speaking specifically of Tim Murrell and Gene Baird of Kansas, Wally Springer of Missouri, Mike Milder of Nebraska, Bob Jones of Iowa, Gordon Christenson of South Dakota and George Johnson or Vern Wagner of North Dakota and myself, plus any others that you or the people in the headquarters might seem important to have in attendance.

If an hour or so could be set aside in St. Louis, and we could be advised of this fact, I am certain that such a meeting would be exceptionally beneficial.

Thanks very much for this consideration.

Yours sincerely,

Rugh F. McKenna
Vice President
