RE: ST. LOUIS SCHEDULE

Attached is draft of proposed schedule. I realize it is very involved and does not allow any free time. There is, however, a small amount of water all the way through.

I still need to confirm some of the driving times.

In reviewing this, bear in mind that the following are firm:

1. JC's until 11:45
2. Jewish dedication - 2:30 to 3:30 plus 1/2 hour driving time each way
3. Post Dispatch from 4:00 to 5:00

I think we are stuck with viewing the Riverfront; therefore the only things which can be adjusted or dropped are:

1. Visit to May's office
2. Press Conference
3. KMOX tape
4. Major contributors
5. Party meeting

There are, of course, strong reasons for not dropping any of these. The fat cats and party people would be combined but this would be very unsatisfactory and would probably result in a decision to drop the fat cats all together.

Will talk with you Monday.

Chris

From John Ehrlichman**

AIRPORT ARRIVAL - FARGO:

1. No advertising except news stories
2. Mrs. R. hangs back - few pictures - no fence greetings
3. Vic J. hangs back
4. NR works press, greeters, then direct to fence, greets about 20 of c. - 150 onlookers - inanities - "Nice day" - "Hello, son" - very good impression - friendly
5. "Looks like Will Rogers" (Style = Perry Como?)
6. Many neat, young men and women staff get off plane and stand between plane and knot of greeters, interviewers until NR enters terminal - n. g.
7. Bus for press - station wagon for luggage - convertible Chrysler used throughout w/ top down in cities - NR stands or sits on back and waves throughout - Davis sometimes
8. Escort - red light always leads - Millebo directs police, etc.

 3. Q's re: farm policy
 - . Advocates more industry in farm area

 - . Prebs. blamed on Demo. Cong.
 4. Much plugging of Davis - every answer curved to boost him - reached for a few
 5. Showed detailed knowledge of Davis' position on farm issue - endorsed it - excused prior inconsistent statements in earlier speeches (Minnesota) by saying N. D. has unique problems. e.g. has advocated doubling area of soil-banked land in past
 6. Many q's from (a) Farm Union TV broadcaster who has "Focus" show - curvy q's - show has been known to unfairly edit clips
 - (b) N. D. reporter from Min.-St. Paul paper re farm - frequent q's
 7. Q's about 1/2 farm including garrison dam irrigation, 15% wheat allotment, higher prices for better N. D. wheat
 - . 1/4 international

 - (a) Gets 100 letters or more per week asking him to run
 - (b) "It's a long time until the Convention"
 - (c) Albany, N. Y. (AP) man asks about truth of theory - NR knows VP is in but is making drafts to stir up interest for Repub. Party.
 - . NR gives long, rambling answer - for party good to leave competition, exchange of ideas, etc.
- Reporters mainly easy on NR - didn't bore in as they do with RN

I HAD COFFEE WITH CONG. CANDIDATE (AT LARGE)

HJALMAR NYGAARD - is for Nixon
Says McKenzie Co. (West Central) swinging to Davis

Also Bryce Streible (endorsed candidate for Lt. Gov.) - young farmer
Strongly loyal to RN
International Pres. of 20-30 clubs when living in Stockton
Friend of Tom Brewer - active in YR's there
Met and introduced the VP during Helen Douglas campaign
I rode the Saturday trip w/ him alone in his car - got much valuable info.
Tipped re: Davis; change of heart after Bryce's meeting w/ Davis in
Bismark 6:30 p.m. Saturday - D. now favors Rocky
Estimates if vote goes over 230,000, Davis will win

TV "PARTY LINE" - Ladies show - KDAY-TV

Boy and girl interviewers (Bill Weaver)
Mrs. and Gov. Rock. - No Davis
1. Grandchildren
2. Servants (only 2)

1. Arrived at busy corner - shady side
2. Caravan double-parks

4. PA back-fed, was omni-directional away from crowd; was discontinued
5. Crowd about 100, tho widely advertised - a few autographs - into one store -

Davis: The party is fortunate to have 2 such qualified men. In the past 2 days I've gotten to know NR better than before. He's warm, people love him, he's a great Republican. We have a great deal in common. I find I respect and support his views, for instance on foreign policy.

Mr. John Q. Paulsen
Assistant Manager
Fargo Clinic

Fargo, North Dakota

Dear John:

I want to thank you very much for your thoughtfulness in sending me the note regarding John Ehrlichman.

Needless to say, we are very pleased to learn that you regard him so highly. . . . especially since all of us here share your evaluation.

Let me say also, how very much impressed I personally was with the overall handling of our visit to Fargo and especially with your quiet efficiency in taking care of the press corps. Al Otten especially says that you saved his life.

Again, thanks very much, both for your kind note and for your help last Sunday and Monday.

Very truly yours,

H. R. Haldeman

Dear Harvey:

I certainly do recall your having helped us as a volunteer driver for the Vice President's party during his trips to Chicago over the last few years.

I greatly appreciate your offer of services this summer during the Convention. At this time, it's a little difficult to foresee exactly what type of help we will be needing but I have passed your offer along to Charles McWhorter who is handling the over-all plans for the Vice President's participation in the Convention.

I am sure you will be hearing from either Charlie or me before too long, and if you don't hear from us prior to July 18th, please get in touch with one or the other of us at the Blackstone or the Conrad Hilton.

Again, thanks very much for writing and best regards.

Very truly yours,

H. R. Haldeman

Dear Mr. Bogardus:

Thank you very much for your letter of June 17th regarding Minipix Stamps.

I agree with you that this is an unusual and very interesting idea.

I have sent your letter and a carbon of my reply to Mr. Robert G. McCune, who is handling this type of material in our organization, and I am sure you will be hearing from him directly.

Again, thanks very much for all of your help on our recent trip to New York. I hope there will be a chance to see you again soon.

Best regards.

Mr. L. J. Eichnen, Vice President
Sales & Traffic
Trans-Texas Airways
International Airport
Houston 17, Texas

Dear John:

Thank you very much for sending in the list of people to whom thanks are due. You did an excellent and complete job in putting this together and giving us a description of their activities which we greatly appreciate.

In regard to your criticisms of the whole affair, I would agree with you on all four points with the following reservations:

- 1) In addition to the insurance problem with the new cars there is also the problem of the engines not being properly broken in and thus the cars overheating more rapidly than should be the case. Also, there are always potential problems in using new cars because they haven't been thoroughly checked out. We have found it is much better to use cars that have at least 1,000 miles on them.
- 2) I think it would have been a good idea to have a supply of buttons and a stand to sell more expensive items. This is something we haven't done before, but it would have been a good way of taking advantage of the large crowd that was at the Airport.
- 3) It is always better to have your own people checking doors in addition to the people that the Secret Service might or might not provide.
- 4) It would have been better to break up the motorcade but the press insists on traveling with the Vice President so they can cover anything that might happen enroute and that was the reason that we had them join him for the drive out. This does cause some delay but it is important.

I have one other thought which you might keep in mind, and that is while your agency did a terrific job in handling many of the details of the trip as well as taking care of press work, etc., it would have been better if they had either remained in the background or at least not have been identified so clearly as agency people. Along this line, I don't think it was a very good idea politically,

Mr. L. J. Eichner

- 2 -

to have the press schedules and other material which was distributed, identified by the Agency name at the top of the page. We have enough problems with the accusation of being the "Madison Avenue Party" without giving the Press any more fodder for their mill.

By this I certainly don't mean that you shouldn't use the agency because they did a wonderful job. I merely mean that the people who are working on this kind of an assignment should not be identified as Agency people and should work as volunteers, at least as far as the Press are concerned. The material that is put out should be under the Committee's name instead of the Agency's.

None of the above should be considered as criticism of the over-all trip because I can assure you that all of us were very much impressed by the wonderful job done by you and your group in handling all the arrangements and the over-all planning.

I hope that all of you there were as pleased with the trip as we were.

I look forward to seeing you again some day, perhaps under more relaxed circumstances.

Thanks very much for the very fine job and especially for your own personal efforts.

Best regards.

Very truly yours,

H. R. Haldeman

Mr. Edward P. Saltiel
Lincoln-Dembits Republican League
77 West Washington Street
Chicago 2, Illinois

Dear Mr. Saltiel:

Thank you very much for your letter of June 14. I have been out in the Mid-west traveling with the Vice President and hence have not had a chance to answer it until now.

I have sent your invitation to the Vice President to address one of the meetings of the Zionist Organization of America to his office for consideration, and I am sure you will hear from them regarding this. I should advise, however, that it will be very difficult to commit the Vice President to an appearance during the period of August 25 - 28 at this time, for reasons which I am sure you understand.

We have had a number of discussions on the subject of the Lox & Bagel breakfast suggestion and are now in the process of investigating the costs and mechanics of the closed circuit setup. Your proposal and some notes of mine regarding same have been turned over to the campaign staff and they will be in touch with you as soon as the decision has been made.

You will be interested to know that while we were in St. Louis Tuesday, the Vice President participated in the dedication and ground-breaking ceremonies for the new Jewish Community Center. There was a good crowd in attendance and the Vice President was extremely well-received by this group.

I hope it will be possible to see you while we are in Chicago for the Convention and I assure you that action on your two proposals will be taken as quickly as possible.

Sincerely yours,

H. R. Haldeman
