FROM: H. R. Haldeman

I am transmitting to you herewith, a number of donations which have been received by the Vice President's Office for use in the forthcoming campaign.

As we had discussed earlier, all such donations in the amount of \$10.00 or less have been transmitted to The Dick Nixon Club. The donations transmitted to you herewith are in amounts of over \$10.00 and will require acknowledgements by Nixon Volunteers.

In addition to the checks themselves...or in some cases, cash...I am giving you the carbons of the letters from the Vice President which went out to each of the donors. These I would suggest you hold in your files.

The contributions transmitted herewith total \$3,550 in checks plus \$20 in cash.

I am also giving you two letters from would-be contributors which have both been acknowledged by the Vice President. You will note in his letter, he indicates that the recipient will be hearing from the Volunteer organization which has been set up on his behalf. I would suggest that you write each of these people telling them that the Vice President has forwarded their letter on to you and you would be most grateful to accept any contribution they see fit to make.

RE: CAMPAIGN CONTRIBUTIONS SENT DIRECTLY TO VICE-PRESIDENT

Confirming our phone conversation of Thursday morning, it is my understanding that from now on, your acknowledgements from RH for campaign contributions will all state that the contribution is being turned over to "a volunteer organization set up in my behalf".

Our procedure will then be to route all contributions of \$10.00 or less to the Dick Nixon Club and the Club will acknowledge the contribution to the donor together with a membership card. All contributions of over \$10.00 will be deposited in the Nixon Volunteers account and an acknowledgment will be sent to the donor from Nixon Volunteers. Vice President Richard M. Nixon

Dear Vice President Nixon,

It is always a pleasure and an honor to be able to write to you. I trust that by now you have received and read my previous letters announcing my organization of a mock political convention at the Fieldston School and stating that I am proud to now actively support you and campaign for you for President of the U.S.A. I realize that you have not yet announced your candidacy, but I'm confident that you will, and I feel that popular support at this time in New York will produce an interest in you among many young people who have had no real interest in Current Events. I believe that the "New Yorkers for Nixon" committee could be doing a good service to you and fellow Republicans. I do not know what is motivating Governor Rockefeller, whom I usually admire greatly, but I deeply regret his not announcing openly his support of you. I think that he phrased his recent statement about his candidacy very poorly. I have told him my thoughts and I am sure that he will soon clarify his statement and support you for President. I know that you truly admire each other.

This letter is mainly written to convey my very sincere wishes for a Happy Birthday this Saturday. I am sure this will be a truly wonderful year for you and your family. I know that with your leadership this nation will be happily celebrating many more of your birthdays. Best wishes for this year and for many, many more to follow.

As I have said, I am doing my very best to instill an ~~xx:xxxx~~ interest in you, your past career, and your present accomplishments among my fellow students and their parents. I, soon, will be starting an all-out campaign in your behalf for the mock convention. I will nominate you for President at the convention. Besides, sending me more detailed information about yourself and your past and present political views would you please send me a large, colored, personally autographed (to me) picture of yourself to display during the campaign and to display proudly at my home after you're elected. Would you also send to me simple literature about yourself (or simply postcards with your picture on them) for me to distribute. I'll also need buttons, signs, et al as you produce them. There are about 700 students in my school.

Again, happy birthday and thank you!

Sincerely,

Stuart Falk

One of my constituents, Mr. Edwin F. Clark, Sr., 1446 Oakwood, Pontiac 19, Michigan, has contributed four dollars to your coming campaign for the Presidency. In his letter to me, Mr. Clark said: "I don't belong to the \$100 a plate class. My income is only what social security brings in."

For your information, I am enclosing Mr. Clark's letter to me. I know that he would very much appreciate a personal reply if your busy schedule will permit.

Dear Vice President and Mrs. Nixon

Have copied a few articles from papers, some kinda old, but thought you would enjoy reading. Sorry can't type, but day after President Eisenhower's birthday I'll be 72 and I never learned to type. But do hope you can read them. I have never claimed to be a Republican or a Democrat, always voted for the man thought was best for the job, but after last few elections I can never ~~be~~ be anything but a Republican. It is terrible to have a President of the United States whom you cannot honor or respect, so am praying for President Eisenhower and for our next President "President Richard Nixon." May God bless you and Mrs. Nixon and our President and Mrs. Eisenhower.

Dear Mr. Secretary:

*copy
attached* { On November 30, 1959, I sent Mr. Nixon the enclosed check, which he returned in a letter dated December 19, 1959, in which he stated that, at that time, he had no "finally determined plans" and no personal campaign organization.

Since that time much has come to pass, and while Mr. Nixon mentioned that he would contact me if developments "occurred", I rather think that his modesty would prevent him from doing so.

You, Mr. Secretary, will likely know where to put this small contribution to good use, on Mr. Nixon's behalf; don't send it to the National Finance Committee of the G.O.P., please, for I have already made a similar contribution to them.

Possibly, after the Nominating Convention, there will be need for additional finances... if so, feel free to call upon me, and if at all possible, I'll try to do a little better. Mr. Nixon must be the next President!

Cordially,

Earl T. Strickler

Dear Mr. Strickler:

Needless to say, it was gratifying to receive your letter of November 30 and most generous enclosure, together with the picture which recalled the pleasure of our meeting several years ago.

As far as the 1968 situation is concerned, however, my plans have not yet been finally determined, and since I have no personal campaign organization set up to receive contributions I am returning your check.

In doing so, I only hope you realize how deeply I appreciate this heartwarming expression of your interest and support in my behalf. You may be sure that I shall take the liberty of contacting you if developments should occur along the lines you suggest.

Dear Mrs. McKie:

Mrs. Nixon has forwarded your recent letter to her, on to this office for assistance upon your request for campaign buttons.

Under another mailing, we are forwarding you 150 of the 'I'm for Nixon' campaign buttons and 50 of the Nixon tabs. I hope this will be enough to handle your present needs, but if it isn't, please do not hesitate to let us know.

In the coming months of the campaign, should your organization desire to have any type of mass distribution of Nixon buttons, we would like to refer you to the Green Duck Metal Stamping Company, 1520 West Montana, Chicago, Illinois. This firm is doing a lot of our official buttons and appear to be very reasonable in their prices.

We certainly appreciate this display of active support in behalf of the election of Vice-President Nixon. If there is anything else on which we may be able to assist you, as I said above, please do not hesitate to contact us.

In reference to the copies of the two songs you forwarded us, we are placing them in our active campaign files for further consideration should we decide to use either of them in the campaign.

We also want you to know how much we appreciate your campaign contribution and that it will certainly be put to good use in the campaign months ahead.

Again, many thanks to you for your expression of support and interest for Vice-President Nixon during this 1960 campaign.

Dear Mrs. Nixon;

At our San Diego County Republican Women Federated annual meeting, we received a copy of the two enclosed songs. You may have received copies from other sources, but you could perhaps use another one.

I have phoned our office repeatedly for buttons, and as I feel we should begin to assert our opinions, and as soon as possible, I should very much like to have a button to wear.

You undoubtedly have too many urgent duties to give such a request personal attention, but perhaps your secretary could take care of this.

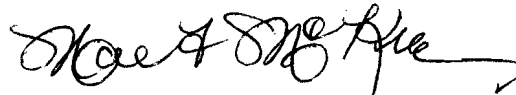

Ofcourse there is expense attached to everything of this sort, please accept this check to be turned over to whomever it may concern. Sometimes they get out especially large ones, or "two toned". Let this cover whatever it may. If it is sufficient to pay for more than one. I know of many of our group who would be very proud to have one.

Our Mission Hills Congregational Church has offered to show "The Nixon Film" We are to receive it March 6, 1960, and use it in the Church auditorium. All county presidents have been notified. The showing is under the auspices of our group.

Please do not grade my typing. In a hurry. Not professional.

Hope the girls are again enjoying The Zoo News.

LET'S ELECT NIXON

Handwritten musical score for the song "Let's Elect Nixon". The score is written on ten staves, each with a treble clef and a key signature of two flats (B-flat and E-flat). The lyrics are written below the notes. The melody is simple and repetitive, using mostly quarter and eighth notes. There are some musical notations like "3" over a group of notes and "b7" below a note. The lyrics are: "LET'S E-LECT VICE PRES-I-DENT NIX-ON", "NIX-ON IS OUR MAN HE DID A", "GOOD JOB ONCE AND HE WILL DO IT A-GAIN", "HE'S KEPT OUR NAT-ION CLEAN SINCE NINE-TEEN", "FIF-TY TWO NIX-ON IS FOR EV-RY ONE", "HE'S A GOOD RE-PUB-LI-GAN", "THE FAMILY MAN FOR WASH-ING-TON", and "HE'S OUR MAN".

NIXON

JAN - 3 1960

Dear Mr Nixon,

I was wondering if you would be good enough to send me a poster of yourself. In U.S. News & World Report I saw people holding up posters of you which had your picture on it and below it, it said re-elect Richard M. Nixon. If it costs anything I could send you the money and if it doesn't cost anything mom said I could give you my allowance for your campaign for candidate. In high school we had an assembly and we talked about the coming elections and we thought very seriously about it. And some of the kids decided we'd have posters of the candidate we would elect if we could vote for someone. But we aren't old enough to. Yet! But dad-gum it up I could I'd vote for you. You can really show those dern Russians up!! It's about time someone did it. They've got away with murder too long.

We'll show em we have some back
 bone. The future rests in our hands
 and I don't think we're as bad a
 generation as some psychiatrists think
 we are. Just give us a chance, and all
 those beatniks and juvenile delinquents
 will be responsible young people
 when we're a little older and have
 matured a bit more. I hope you
 win the election. Good Luck!! God
 bless you. You probably won't be able to read
