BOB HALDEMAN (B)

Christopher, Mayor George

July 16, 1962

Dear George:

This delayed acknowledgment of your June 28th letter is regretted. I did take a "breather" and unfortunately, your note was received while I was away from the office.

The case of the state employees which you bring up is important and certainly calls for follow-up. I am, therefore, establishing contact with Mr. Glen Baker along the lines you have suggested. I agree with you that a discussion with him is in order, and the points you have made are helpful.

Many thanks, and best regards.

Sincerely,

H. R. Haldeman

Will you please call Mr. Glen Baker, Chairman of the State Personnel Board, and follow through on George Christopher's suggestion? Copy of his letter and my reply are attached for your information and guidance.

Dear George:

Just wanted you to know how much I appreciated your sending the newspaper clips from Chicago, also the Ed Heavey story from San Francisco and the Malaxa report.

Also wanted to assure you that all such material received here is given immediate attention and will be routed to proper people for action where appropriate.

Needless to say, we all especially appreciated your efforts in the Heavey matter, and I am sure this will be most helpful.

Best regards.

Sincerely,

H. R. Haldeman

GENERAL ELECTION
BULLETIN NO. 1

June 18, 1962

Dear Fellow Campaigners:

First, let me express the State Committee's sincere thanks for your splendid work during the Primary campaign. The best tribute to your committee's great work is evidenced by the fact that Mayor Christopher carried all but one of the 58 counties for a thumping Statewide victory!

Now, for the big one in November.

Our big goal will be to elect George Christopher as our next Lieutenant Governor and we urge an early start in your county-wide planning. We hope these Bulletins will help to coordinate the Statewide campaign and as always, we will appreciate your advice and counsel.

Again, thanks, and with your help we are confident of Victory in November.

J.F. SULLIVAN, JR.

oOo

CHRISTOPHER VICTORY DINNERS: A series of dinners sponsored by "Democrats for Christopher" will be held in major cities throughout California during September and October. Dr. Peter Angel and Mr. George Maheras will call on you in the near future for your advice in the selection of a Dinner Chairman and to make other arrangements. We urge your full cooperation with these men in order to make the "Victory Dinners" a success.

DEMOCRATS FOR CHRISTOPHER: If you have not already appointed a chairman for your "Democrats for Christopher" committee, we urge that you do so as soon as possible. Be sure to send us the name.

FOR LIEUTENANT GOVERNOR—A MAN OF GUBERNATORIAL STATURE!

FINANCIAL REQUIREMENTS: Financial requirements for conduct of the Statewide campaign will be much greater than in the Primary. We urge your early attention to financial prospects and in particular, to the organization of a good, hard-working finance committee. We will forward detailed information later regarding this important phase of the campaign but we emphasize that it will be more important than ever for each county to carry its fair share of our Statewide budget.

HEADQUARTERS: At a recent meeting, Dick Nixon and George Christopher agreed that each would continue his own campaign. We suggest, therefore, that you re-open (or establish) Christopher headquarters in each county, sometime during the last two weeks of August, and timed for full operation by Labor Day. As in the Primary campaign, costs of headquarters will be the responsibility of the local Christopher committee. In most counties, joint headquarters for the entire Republican ticket will be opened by the Republican County Central Committee and there should be full cooperation, of course, with these GOP headquarters.

CAMPAIGN MATERIALS: These may be secured from State headquarters at 870 Market Street, San Francisco 2, or from Southern California headquarters at 4160 Wilshire Boulevard, Los Angeles 5.

APPEARANCES, SPEAKING ENGAGEMENTS, RALLIES: As in the Primary campaign, Mayor Christopher will be available for all possible engagements, within the limits of his schedule. Please address your requests to Mayor Christopher at State headquarters. For Southern California events, send a carbon to the Los Angeles headquarters.

VOLUNTEER ACTIVITIES: Plan now to organize your volunteer activities, including pledge card sign-ups, telephone teams, coffee hours and other events.

Dear Bob:

Mrs. Ione Ressegieu, 616 East Carson, Torrance,
mailed two \$1.00 bills to our office with the request
that we send one of them along to you--So here it is.

Even though we are only two blocks apart, it
seems as though it is impossible for you and I to get
together for a cup of coffee--maybe one of these days.

Best regards,
