Dear Mr. Cahill:

Jim Halley has just forwarded me your check for \$250.00 and I certainly want to express our sincere thanks without further delay.

It is understood you would like this contribution earmarked for additional TV or radio coverage, and this will be done.

May I assure you that in these few remaining days of the campaign, this is the most effective use to which these funds can be directed, and we are most appreciative of your recognizing the need and contributing so generously to the cause.

With best regards.

Dear Bob:

Enclosed please find Campaign Contribution of
J. Peter Cahill, one of San Francisco's well known
Cahill Brothers, in the sum of \$250.00.

His request was that the monies be ear-marked
for additional T. V. or radio coverage, the precise
use to be determined by the Campaign Committee.

I know you will put this to good use and would
appreciate it if you could send a letter over your
own signature to Mr. Cahill.

Sorry I have missed your calls. Tried to reach you one evening last week, but apparently was too late - the number did not answer.

Just received your October 23rd letter and attached check for \$260.00 covering the contributors and amounts as listed. The check will be processed immediately, and the acknowledgments will go out.

Our thanks for your "Cincinnati Operation", Sherm. It means much.

Dear Bob

During these hectic days, not too much happens that gives cause for anything but more work, more complaints, more drive to get the job done - more of everything, except the where-withall to do it.

When your note and check were received this morning, I put them aside until I had this chance to write you a brief, but nonetheless sincere thank-you.

I want to assure you that Dick Nixon and all of us are and always will be grateful for the loyal and long-time supporters like yourself.

A few of our pamphlets are enclosed in the thought you might be interested in seeing them.

Again, our thanks for your help and very best wishes.

Dear Bob:

Attached is a list of Nixon supporters in the City of El Monte who gave substantial amounts to the primary campaign effort in that City and may be expected to give again for the general. A letter from Dick to each would be most desirable. Your attention is directed to the fact that LeRoy Scott and Chuck Wiggins are both members of the El Monte City Council and therefore it might be a good move to invite them to a special reception when the opportunity arises.

In addition please feel free to call upon me for any job in which I can assist either you or Herb. The situation here in the 25th Congressional district has improved somewhat however I do believe that Mel Miller can use all the help he can get from either Dick or staff members who might advise him on various aspects of his campaign for the Assembly in the 58th district- a district which I believe can be won.

I am sending under separate cover a contribution which I hope you find useful in your campaign. I know what an arduous task you have set before yourself and only wish I could personally be more effective.

I have talked to a number of my friends pointing out your dilemma in obtaining adequate funds, and two or three, including Ed Pauley in Miami, have indicated they would be sending some money along.

As Paul Bagwell no doubt mentioned to you, I have long felt indebted to you for the experience I had in being on your staff in 1952, and this is but a mild gesture to try to say thank you.

My best always to both you and Pat.

Dear Pete:

I was very distressed when St. Patrick's Day ran its full course without a peep of a Bagpipe - or even a telephone call from you. But my grief was completely assuaged by your letter of March 27th and, most importantly, by its accompaniment.

You can continue, however, to enjoy the thought of my searching for money, rather than spending it lavishly, since I am doing far more of the former than the latter at this stage.

John has not come across with the Shay's \$2,500 - but then, I haven't been able to set up a luncheon he wanted me to work out with the old man - so I guess it's my fault.

Do, by all means, continue to search for this sort of material back there. It all helps.

Trust the Flanigan clan is in its usual great shape, and that you will wend your way westward before too long so that we can belatedly celebrate the second anniversary of the infamous March 17th.

Very best.

To: Bob Haldeman

Date: 9 February 1962

From: Carol Arth

Subject: \$200.00 check from Mrs. R. W. (Bedia) Erdle

Distribution:

In an effort to help Dorothy, et al, catch up with phone calls and letters offering help, I took several pieces of correspondence and phone numbers from people who might help in my areas of assignment. Bedia Erdle was among them. I called her yesterday and asked her to come in and talk with me about things that she might be particularly interested in doing. We agreed that she would be used to talk to small, informal groups; work with Helene Brown on letters, and give 9 hours per week of volunteer time. She is a native of Baghdad, Iraq, former classmate of Jackie Kennedy's at Vassar and a graduate of UCLA. She wanted to give financially. I told her we need money now. She left the attached check with me. She's a pistol!

letter for generous support.**

Mr. Hill Blackett

Newton, Georgia

Dear Mr. Blackett:

Thank you very much for your most generous contribution to the Nixon campaign. This will be put to good and immediate use.

I know that Dick would like very much to get together with you and hope this can be worked out in the near future. Do you come to California at all? If so, I would appreciate your letting me know when you might plan to be here so that we can be sure you and Dick have an opportunity to meet. His schedule will be almost totally concentrated within the state from now until November, so there is not much likelihood of your meeting at any other place.

Again, thanks very much for your contribution, and best regards.

Sincerely,

H. R. Haldeman

Dear Mr. Blackett:

Please forgive this long delay in replying to your letter of October 31st to Mr. Richard Nixon. The letter did have to follow a rather devious route before it reached him, and then he held up replying until proper procedures were set up for handling out of state donations.

Your offer to contribute \$1,000 to the California campaign is very much appreciated by Mr. Nixon. As you know from past experience, your presumption that money is harder to get during the primary is certainly correct.

May I suggest that you make your check payable to "Nixon for Governor" and send it to me, marked personal, at 3908 Wilshire Boulevard, Los Angeles 5, California.

Best regards.

Sincerely,

H. R. Haldeman

Dear Mr. Nixon:

Thank you for your good letter of September 25th.

Although I live in Georgia, I wish to send you \$1,000 for your campaign in California because I feel your election there has national significance, and that all Republicans all over the country should funnel their support to your cause.

I presume money is harder to get during a nominating campaign than it is after you are nominated. So if you will tell me how to make out the check, I will send it to you at whatever time you specify.

Best wishes.

Sincerely,

Hill Blackett
