May 21, 1962

Dear Bob:

As I am sure you know by now from the State Central Committee, the plans for a series of unity fund-raising activities in the major cities throughout the state shortly after the primary have been dropped. This was necessarily the decision due to the inability to put together a suitable organization and get the program under way soon enough to make it successful. As I am sure you recognize, it would have had to be handled by the State Central Committee since we could not divert the campaign organization at this crucial point in the Primary effort.

I had told George Murphy of your interest in this activity and imagine he has been in touch with you.

The finance people have all agreed that a similar effort in the fall campaign will be much more productive and that is the course to which we are apparently committed at this time.

Best regards.

INTER-OFFICE MEMORANDUM

N i x o n f o r G o v e r n o r

To: Bob Haldeman

Date: May 16, 1962

From: RN

Subject: Oakland Chairman --Finance Affair

Distribution:

I told the Oakland Chairman that you would call him on the finance thing after June. They expected a call last week so if you have not talked with him, please do so.

The reason I want you to call him is Bob Finch tells me he hasn't been able to work it out - just be sure that the Oakland man has been kept informed. Let them know if we are not going to be able to do it as they are holding a hall up there and have set the date already.

Dear Ruth:

I have your letter of May 11th about the Alameda County fund-raising plans.

The State Central Committee is considering putting on a series of unity fund-raising dinners or other fund-raising activities in the major cities throughout the state. This is planned shortly after the primary.

As soon as this is definite, then it would be fine if the Nixon Committee and the County Central Committee could get together and plan a real show at the Oakland Auditorium.

At the moment, however, it would appear we will have to await developments on the State Committee's plans.

Dear Bob:

When Dick Nixon met with the Alameda County Finance people he mentioned the One Night Stand Shows scheduled for approximately June 15 - 20. Alameda County is interested in this and could secure the Oakland Auditorium for June 20 only. It is booked pretty solid.

They are most anxious to know if this is going to occur because they would like to start organizing ticket sales. Dick told them that he would expect 5,000 at the Auditorium, that the money would be used for candidates' campaigns, starting with the gubernatorial, and they would want some of it pro-rated to their assembly candidates. The County Central Committee and the Nixon Committee in Alameda County would work together on this and bring in other candidates after June 5.

Could you let Bob McKeen and/or me know if this has any chance of being produced.

Kind personal regards.

Very truly yours,

Dear Mr. Nicol:

Dick Nixon has asked that I answer your letter of April 20th.

As you probably know, the State Central Committee is considering putting on a series of unity fund-raising dinners or other fund-raising activities in the major cities throughout the state. This is planned shortly after the primary.

If this plan is put into effect, it would, I assume, preclude your plan for a Republican Associates dinner in San Diego on June 8th. Needless to say, we heartily endorse your idea of firing up the San Diego Republicans and reunifying them after the primary, but do feel that any final acceptance should await developments on the State Committee's plans.

Kind regards.

Sincerely,

H. R. Waldeman
