The attached check was addressed to the Nixon campaign, but you will note it is payable to Republican Assembly.

Is there some way this can be endorsed over to us? If not, will you please handle this direct with Mr. Irwin S. Schuman, Palm Springs Riviera Hotel (card attached), since he definitely intended it to be a contribution to the Nixon for Governor campaign, as you will note.
Attached is check for $1,000.00 received from

Mrs. Edessa Hartley Rose
1377 Waverly Road
San Marino, California

This was forwarded via Pat Hillings, who has instructed this sum is to be earmarked for television expenses.
Attached hereto is check for $50.00, payable to Tom Duggan, and endorsed by him for the Nixon-for-Governor campaign, received from Miss Dorothy A. Simonick of the Long Beach Council of Republican Women.

Dear Dorothy Simonick,
Thank you so much for your token check. Tom has endorsed it and I am returning it to be used for Mr. Nixon's campaign fund.

Tom is happy to do whatever he can to elect Dick Nixon so perhaps the check can be used to good advantage. We appreciate your very kind gesture.

Every good wish,

Ann Duggan

This morning in thinking about the election and the campaign that Mr. Brown has been making with the hope of being re-elected the following thought dating back to my childhood came to me.

Little Jack Horner sat in a corner eating his Christmas pie he stuck in his thumb and pulled out a plumb and said "What a great boy am I"

There is no doubt that Gov. Brown has that opinion of himself. BUT I DO NOT.

I am all for Dick Nixon.

Check - $5.00
received from: Jeannette P. Moran
P.O. Box 82
Wood River, Illinois
Stockton, California,  
October 2, 1967.

Mr. Richard L. Nixon,  
3906 Wilshire Boulevard,  
Los Angeles, California.

Dear Mr. Nixon:

Yesterday, I received a letter from my sister who has moved back to Illinois since she retired from California state service. In her letter, she enclosed the check which I am sending on to you.

She was a clinical laboratory technologist at the Stenton State Hospital for many years, but since she retired, she returned to Illinois to live near her two children. She wishes to do what she can to help you win next month and try to get this state back to being one of the best in the nation instead of being under the control of Earl Warren and the Boston saloon keepers.

My sister is Mrs. Jeannette P. Lorman. She now receives her mail at Post Office Box 82, Joliet, Illinois.

Last night, I did not listen to your debate for I do not permit such as Pat Brown and those Kennedy's to enter my home. However, I did listen to CBS after you and finished. Don Lesalee reported that those two members of the state legislature whom you mentioned as being for the communists, and they denied they helped when those young hoodlums from the university of California attacked the un-American activities committee. Don Lesalee said that they had addressed those students in the park in San Francisco the night before they attacked the committee.

Pat brown lies when he tries to give the impression that he had no part in that riot nor does he believe those two from his sort of legislators did either. He knows about their acting around those young dinks of Harry Bridges. He knew they and he do believe the royalty oath should be abolished and they believe in everything that is advocated by Harry Bridges and his communist followers—-even Billings who pat, gave a pardon and restored to full citizenship.

He also pretends to be opposed to capital punishment. Yet with about one exception, he has never commuted the sentence of a white person. Like the present so-called governor of Illinois, he finds a way to commute sentences of vicious negro murderers. But, there is never any sympathy with a white one. I am not saying the white ones have not deserved what was given them except Carol Chessman.

He should never have been free again unless one could have been absolutely certain he had become a reformed person but I do not
believe he did the crime for which he was killed. I believe pat had him executed because he would not get down upon his knees to that rotten politician because he had no more respect for pat than many others of us.

Then pat lied on and prosecuted state employees in the Department of Mental Hygiene to try to win votes, he was a criminal of the worst sort. In every case he was proved a liar and the employees were exonerated.

However, even after the State Supreme Court and the other courts had ordered him to restore to two women their positions with back pay, he did not do it and as soon as he had Look took over in Sacramento, he had host keep them from getting back to work.

Both women belonged to the AFL which did nothing for them because they intended to force put upon us. One of the women also was a member of the CSEA who helped her and she was acquitted. The other one was sentenced to jail etc by a so called judge whom I could have sent to San Quentin for trying to help steal the estate of a close friend of mine. Yet, that man is now a “judge” and could accept pat’s lies and try to destroy that woman. However, many of us who are members of the CSEA were determined to teach the damned union that they cannot subjugate nor frighten us, gave the necessary funds to have that state employee released from jail and get a new trial. Then, we paid one of our CSEA attorneys to assist her attorney and she too was found to not be guilty. Yet, pat who is exactly like the Boston saloon keepers in Washington, refused to obey the law and restore eight women to her former work.

As long as I was a state employee, I did everything possible to obey our constitution and I said nothing nor did nothing against little pat. except to vote as a good citizen of this state and our country.

But, when I became too old to continue working for the state, I have done all I can to help rid this state of pat and others like him. By sister his tip, so I am happy that she still believes you should be elected and that she helps all she feels she can.

I would have liked to have given you more than I sent to you but I must give some to our local REPUBLICAN candidates too. I am sending my contribution directly to them as I did to you for I will NOT help Thomas Keuchel even with my vote. I did not vote for him in the primary nor shall I do so next month. However, I believe that Richards will lose but which ever of those twins, California loses. Keuchel like little pat does what they are advised by Mr. Warren and we have had more than enough of Earl Warren. So, I am trying to do what I can for the REPUBLICANS and not help Keuchel.

Yours truly,

Wood River, Illinois.

Re: Nixon Campaign

Dear Chad:

It was certainly a pleasure to see that you are taking on the Southern California chairmanship of Dick's campaign for the governorship. I know by experience that this will be a real chore and, as a very strong Nixon supporter, I want to express my great appreciation of your willingness to undertake this.

Also, I want to assure you that if there is any way in which I can be of assistance in this campaign, I will be very glad to do anything that I can that you or Dick wish to call on me for. I will be out of the city from February 1st to March 17th, as my wife and I are taking a cruise to the Mediterranean, but after I get back I should be able to make some time available to help out.

Just to help get the ball rolling, I enclose herewith my check for $1,000.00 as a contribution to the campaign which should be credited 1/2 to me and 1/2 to my brother, Walker Smith.

With best personal regards.

Very sincerely yours,

Dana C. Smith

Dear Bob:

The attached check from Bedla J. Erdle is a substitute for the one forwarded to you under date of February 12th. Mrs. Erdle's husband died suddenly and of course all bank accounts were closed. The previous check was returned.

You will note this is for $300.00 or $100.00 more than the other contribution. She asks that we not bother with another letter of thanks.
This morning I discussed with Bedia Erdle the matter of the check which she sent at the time of her husband's death. I have attached the check which she gave me this morning. You'll note that it is for $100.00 more than the earlier one. She asks that we not bother with another letter of thanks.
