MONTEREY BRUNCH - SEPTEMBER 29th.

RN will do a "fat cat" brunch about 10:30 a.m. September 29th in Monterey.

The party will fly from Salinas to Monterey as late as possible to make that date. The party should be scheduled for brunch somewhere else than Haldeman schedules his brunch, and RN should travel by automobile from the plane to the brunch, while the party is bussed or remains at the airport where there is a good restaurant.

The press conference that morning is scrubbed.
