MEMORANDUM FOR

H. R. HALDEMAN

FROM: THE PRESIDENT *RM*

I have an uneasy feeling that many of the items that I send out for action are disregarded when any staff member just reaches a conclusion that it is unreasonable or unattainable. I respect this kind of judgment. On the other hand, I want to know when that kind of decision is made. In the future, I want you to keep a check list of everything I order and I want you to indicate what action has been taken (and I want no long memoranda indicating why it can't be taken) and particularly I want to know when the action that I have ordered has not been taken.
