MEMORANDUM FOR:

BILL TIMMONS

FROM:

DWIGHT L. CHAPIN

Can we have Stan Anderson pull together a list of the top 15 young comers within the Republican Party. These would be guys like Lugar, Brock, etc. Perhaps we should be working more of this type person into the Convention and formal program. We need to have a list to work from so that we know precisely who the good ones are.

In addition to the above, we need to get a handle on who the best women spokesmen are in the country. Who are the 10 best women spokesmen that the Republican Party has? In particular, can we get a list of 10 or 15 women State Legislators who could be possible backups to the 21-year old gal from South Carolina in case she bombs out.
