MEMORANDUM

THE WHITE HOUSE
WASHINGTON

May 3, 1972

MEMORANDUM FOR: MR. H. R. HALDEMAN
FROM: DWIGHT L. CHAPIN
SUBJECT: Tex McCrary

Concerning the idea that Tex McCrary be used as one of the people working on the Wolper films, I have the following thought:

McCrary would be a perfect one to review the rough scripts when they are submitted and to see that the film gets pounded into something which is worthwhile. However, I do not think that we should have him working with Wolper since I am of the opinion that this would cause personality clashes and major problems. We should use McCrary as one of our "Think Tank" guys and then Moore and I can maneuver Pete Dailey and the Committee around to any worthwhile suggestions which McCrary might make.

Unless you see some problem with this procedure, I will follow it.

cc: Mr. Moore
