MEMORANDUM FOR

H. R. HALDEMAN ✓

FROM: THE PRESIDENT *BM*

The next time we are in Florida I want to play golf with Jackie Gleason and Arnold Palmer. There is an orchestra leader in Florida I have played with before. (rmw note: Sammy Kay) Ask Bebe who he is and include him as the 4th member of the foursome. This should be in the July 4th period. Or better still, rather than that, have David be the 4th.

MEMORANDUM FOR

Bob Haldeman

On the political side, I would like you to follow up with Billy Graham in his work with Negro ministers across the country. He feels this is our best chance to make inroads into the Negro community. I am inclined to agree with him. The professional Negro radicals simply can't be for us any more than the white radicals can be for us. Just as we are trying to appeal to our own constituency among the whites, we should remember that there is a similar constituency, although eminently smaller, among Negroes. Let's not overlook them in attempting to pander to the radicals - black or white.

A handwritten signature in dark ink, appearing to be 'RN' or 'Richard Nixon', enclosed in a circular flourish.
