MEMORANDUM FOR

Bob Finch

FROM THE PRESIDENT

In your travel around it occurred to me that on some occasion you might have a talk with our friend in New York who owns the Harris Poll. Perhaps a direct talk with you and Harris and him participating (his name is Danny Lufkin) might pay some dividends.

On the other side of the coin it might be well to do some effective work in discrediting Harris since we know that as the campaign date approaches he will be out to hammer us down.

MEMORANDUM FOR: MR. FINCH

The President would like you to develop a relationship and establish a contact with Lou Harris. This can be done through our supporter Danny Lufkin of New York who is now part owner of the Harris organization. The President suggests that you have Harris and Lufkin down to lunch sometime soon just to get acquainted and establish a relationship whereby you can keep in touch with Harris - perhaps suggesting questions to them from time to time and getting insight from them.
