THE WHITE HOUSE
WASHINGTON

June 30, 1972

MEMORANDUM FOR:

BOB FINCH

FROM:

CHARLES COLSON

The legalization of marijuana is now on the ballot in California. Do you feel there is merit in putting the President strongly on record while in California against legalization once again and is this an issue that you feel you could hit in speeches in California? On the downside of this one is the fact that it probably will bring a lot of young people out to vote, but it can be argued that they will come out anyway. On the upside, Nofziger believes the initiative will be soundly defeated and the candidates opposed will gain politically.
