MEMORANDUM FOR: H. R. HALDEMAN

FROM: JON M. HUNTSMAN

SUBJECT: Indiana Poll Re Bayh

The following was reported in the May 28, 1971 News Summary:

On his Presidential campaign, Bayh was slightly concerned about lack of name recognition as shown in the polls, but pointed out he had come from 6% to 24% in a year. He is happy in the Senate but if he had significant support, would become an active candidate -- which is what he told his friends when they set up a campaign office for him. He is concerned about the negative leadership of RN as exemplified by the vetos of education, etc. If he can provide leadership which is needed, he won't back off from running. He said that RN has stated that people were sick and tired of government-- but, no-- people are sick and tired of the way the government is being run. The Senator, when asked about Jackson's speech in which he said some potential candidates were mixing with the far left, said that it was important for the Dem. party to maintain a broad base of support.

It was suggested that a poll be taken in Indiana of approximately 500 individuals, and that it be released. It was noted that this would be a good way to get a sounding and it would also make a neat story. Please submit your report to the Office of the Staff Secretary.

Thank you.

MEMORANDUM FOR: ALEXANDER P. BUTTERFIELD

FROM: JON M. HUNTSMAN *JMH*

SUBJECT: Trip to Los Angeles

Alex, this is only a brief memorandum of our previous conversation regarding my trip to Los Angeles, Friday and Saturday, May 7th-8th. I truly wish it was not necessary for me to make this trip, however, the current conditions of my business on the home front necessitate that I be involved with the critical meetings with our bankers on Friday, the 7th. As you are aware, even though I have resigned as an officer and director, I am still the largest single stockholder and major financial backer -- therefore, the banks look to me to insure backup support for all company loans and financial planning. I will travel commercial airlines leaving Thursday night and returning on the "Red-Eye Express" Saturday night. I shall leave my phone number where I can be reached at any time with my secretary. I am covering all of the day-to-day needs with David Hoopes and will certainly go over the more critical concerns of the week-end with you personally.

Thank you, Alex.
