MEMORANDUM

THE WHITE HOUSE

WASHINGTON

July 28, 1972

ADMINISTRATIVELY CONFIDENTIAL

MEMORANDUM FOR: MR. H. R. HALDEMAN

FROM: BRUCE KEHRLI Bak

Please note the attached comment from the July 28 News Summary.  
Gordon Strachan will follow up here unless you have any objections.

Helen Bentley said bra-burning feminists are harming the women's rights movement and alienating those who support it.

Dean Burch is asking the FCC to reconsider its prime-time-access rule which eliminated 1/2 hr. of evening network TV, Rep. Goldwater said. ... Sen Nelson announced a "citizens committee for justice" supporting strikes by mostly Mex-Amer workers against Farah Mfg. Co., one of the largest manufacturers of slacks.

POLITICS

GOP-RELATED

UPI leads a report: "McG has turned his back on Amers of Spanish descent, 5 Democrats of that minority declared, announcing their support of RN" and the formation of "Spanish-speaking Democrats for Nixon." Alfred Hernandez of Houston, who said he campaigned tooth and nail against RN in 1968, said, "in spite of our continuous loyalty, the Dem Party has kept us outside the decision-making process. We are not leaving the Party. We are all Dems and intend to remain Dems. We cannot support its nominee for Pres." ... AP's report led: "6 Spanish-speaking persons who said they were lifelong Democrats endorsed RN, and a 7th who was supposed to do so said he had decided to hold out a while longer." AP further notes the conference was nearly an hour late and it ended ahead of schedule after the "surprise holdout announcement" was made.

McG is behind in 62% of the states, according to Congressional Quarterly survey. Dem chances are rated poor in 31 states, while they are better in 19. Only in DC, Mass., Hawaii, Rhode Island, Oregon, S. Dak., and Mo. is McG given an excellent chance. Gov. O'Callaghan of Nev. said RN "would be really tough to beat under any circumstances," and that Dem platform "just won't sell" in Nev. Rep. Brademas said only a landslide could win Indiana for Dems, while a W. Va. Dem said McG "is going to hurt everybody" in local races. Rep. Gibbons predicted RN would win Fla., while Briscoe of Texas felt McG would have little chance there. Dem Howard Samuels said: "I think we've got a particularly bad time in NY" and he listed reasons: 1) Rocky's strong organization with up to \$10M budget; 2) new and untried Dem organization; 3) Jewish population unsatisfied with McG. Docking of Kansas said McG will have a tough time in farm areas. But Cranston felt McG could win Calif., and Iowa Dem Chrmn. said McG "has a good chance to ride the farm issue to victory."

MEMORANDUM

THE WHITE HOUSE

WASHINGTON

July 26, 1972

ADMINISTRATIVELY CONFIDENTIAL

MEMORANDUM FOR: MR. CHUCK COLSON

FROM: BRUCE KEHRLI *BAC*

SUBJECT: Foreign Reaction

The July 26 News Summary contained the following note:

-- HK Smith commented on the unprecedented foreign backing for a US candidate's election -- RN. --

Referring to the above, it was noted that this is a very good line to follow up on -- noting the world leader theme as well as the fact that world leaders who know him are behind him 100%.

Please follow up and submit a report on actions taken to the Office of the Staff Secretary by July 31.

MEMORANDUM FOR: MR. H. R. HALDEMAN  
MR. JOHN EHRLICHMAN

FROM: BRUCE KEHRLI 

SUBJECT: Platform

The July 24 Weekend News Review contained the following note:

-- The Star's Joseph Young notes the Dems had nary  
a word in their platform on federal employees --  
the GOP however intends to include such a plank. --

Referring to the above, it was noted that our platform should be careful to include a laundry list of every special group like this. It is not necessary to worry about trying to get a short list that people will read, but rather put an eloquent preamble on it and include as many groups as possible.

Please follow up and submit a report on actions taken to the Office of the Staff Secretary.

THE WHITE HOUSE  
WASHINGTON

July 20, 1972

ADMINISTRATIVELY CONFIDENTIAL

MEMORANDUM FOR: MR. WILLIAM E. TIMMONS  
FROM: BRUCE KEHRLI ~~BAK~~  
SUBJECT: Staff at the Convention

Going over the list of people who are scheduled to go to the Convention it was noted that the following people are Hatched:

1. Ken Cole
2. Tod Hullin
3. Ed Morgan
4. Bud Krogh
5. Lew Engman
6. John Evans
7. John Lehman
8. Byron Schumaker
9. Dick Allen
10. Cap Weinberger
11. Jerome Jaffe
12. Warren Hendriks

Hullin, Schumaker and Hendriks shouldn't be problems as Hullin and Hendriks are working in support of principals who are not Hatched. Schumaker shouldn't be a problem because he is documenting part of the Nixon Administration. However, the rest of these people will be working directly on Convention projects and therefore are liable for Hatch Act violations.

I'll be working with John Dean to try and resolve this problem but before we go any further I wanted to make sure that all of these people will be attending.

Would you please let me know.

Thank you.

MEMORANDUM FOR: H. R. HALDEMAN  
FROM: BRUCE KEHRLI *BKL*  
SUBJECT: Tricia and Julie Expenses

In answer to your question on the attached -- yes, the Committee is paying for their expenses on the following basis:

1. For non-political events, the Committee for the Re-Election of the President is billed for the cost of the equivalent first class airfare for the girls.
2. For political events, the Committee for the Re-Election of the President pays the full cost of the plane.

The Committee pays for all of their lodging and food but you'll note that the first class airfare does not cover the full cost of non-political trips because of the expense of renting the aircraft.

Do you want to change this and have the Committee pick up the full expenses for their travel to non-political events?

YES \_\_\_\_\_ NO ✓

Note: After the Republican Convention all events will be considered political, so we're really talking about the time between now and the end of the Convention.

MEMORANDUM FOR: MR. CHUCK COLSON  
FROM: BRUCE KEHRLI *BOK*  
SUBJECT: Slogan

The July 24 Weekend News Review contained the following note:

-- Bartlett had no trouble finding the "missing faces" in McG's Dem ranks during survey in York, Pa. There is an insurance agent who backed HHH but now will vote RN because "I feel more secure with him." --

Referring to the underlined portion, it was noted that this could be a good line -- Be safe with Richard Nixon.
