Dwight -

You were most thoughtful to present me with the fine leather folder and most kind in your Christmas note. Both are very much appreciated.

I want you to know how much I've enjoyed working with you over the past two years and want you to know how much I've appreciated having your confidence and giving me the opportunity to range far and wide and grow professionally.

With great respect and best wishes for the coming year.

Love
Dwight

Dear Dwight:

This is a belated note to say what a pleasure it was to work with you during the campaign. All good things to you in the years to come as you deserve them more than anyone I met in Washington.

Cordially.

Mr. Dwight L. Chapin
Special Assistant to the President
c/o The White House
Washington, D. C. 20500

Dear Mr. Chapin:

We sincerely hope you will be able to accept our recent invitation to the New Majority Dinner in Washington on May 9. This crusade will be the opening of a concentrated effort by the Republican Senatorial Committee, the Republican National Committee and the Republican Congressional Committee to raise the necessary funds to gain control of Congress in 1974. We need your help.

As Chairman of these Committees, we are proud of the low overhead and effective use of funds which we have realized in the past. We feel a united effort is the best possible approach. We are, therefore, again joining forces for this dinner and will use the profits where they will be most effective -- in candidate support programs in the precincts.

The President and the Republican Members of Congress need to know that they have your continued support. Your early response will not only help assure the success of this effort, but will conserve time and reduce follow-up expense.

If you have not already done so, we hope you will send in your subscription for one or more dinner tickets today. The price is \$1,000 each.

1974 affords all of us a great challenge and a great opportunity. We deeply appreciate your support in the past and are looking forward to working with you to win a new majority in Congress in 1974.

Sincerely,

Bill Brock *George Bush* *Bob Wilson*
