Dear Mr. Denny:

It was good to hear from you and I appreciate your purpose in writing. You may be sure I continue to be grateful for the support and confidence Republicans in Washington have given my efforts over the years, and I shall be doing all in my power to keep that trust in the days ahead.

With my gratitude and best wishes,

Sincerely,

GEORGE BUSH

MEMORANDUM FOR

JOHN D. EHRLICHMAN

no

I had an opportunity to talk with your old friend Mr. Bill Fedder on Saturday, September 19. He was in town and wanted a chance to say hello to you. He thought you would be interested in knowing that he is now applying his computer graphics to environmental design. He is currently located at Southern Illinois University and is just beginning to set up his program.
