Saturday, Sunday, and Monday, October 23, 24, and 25.

President spent the weekend at Camp David. Did his Veteran's Day radio address Sunday night from Camp David on live network. I had no contact with him at all through the entire weekend while I was down in Florida at Disney World. Apparently, things went well up here. He did come down Monday and met with Ehrlichman and later with Shultz, getting some of the economic things lined up. The big blow was late Monday night, when we had the UN vote expelling Taiwan. That'll create quite a stir, I'm sure, tomorrow.

End of October 25.
