Saturday, January 20.

I had no contact with the President today. This was the Inaugural and the Parade and the Balls. He did superbly well at all of them, and I'm sure considers the whole thing a success. It ran flawlessly, except for the inevitable overcrowding at the Balls, but the President did a good job in his presentation at each of them, and did dance as he had planned to do, so that all worked out well.

End of January 20.
