Sunday, January 28.

At Key Biscayne. The President had me over for a little while this morning on a lot of miscellaneous items. He was talking to Henry when I arrived, trying to cheer him up. And he wanted to be sure that Henry had no interview with Rustin, which he obviously raised with him. He wants to give a plaque to Hoffmann's church for his service last night and has decided to go to California in February, with a stop on the way out, and had some other minor schedule items and logistical details.

End of January 28.
