Saturday, March 8.

At Key Biscayne - very uneventful day. Cloudy, some rain. Chapin and I spent day talking - mainly regarding personnel, etc. Had a long talk with Larry by phone on same general subject. A few cables and phone calls from Kissinger - some action because of Lodge talks (private) with North Vietnam - and Rogers meeting with Dobrynin. President called about 5:00 for Ehrlichman and me to come over, but John out driving with Jeanne, so postponed till tomorrow.
