Tuesday, August 5.

At Camp David. Planned to sleep in, but President called me over at 8:30 - no breakfast - was there three hours. Mainly on the PR need. Concerned about the Harris poll, shows huge drop. I checked via Chapin with Gallup, who says it can't be valid. Long harangue on staff spirit - and on and on with PR. Dinner in the evening with the Cabinet, at Aspen. President gave long and very good report on his trip, explaining all the background, and zinging State for opposing both Vietnam and Romania. Some discussion, and another late evening. Ehrlichman and I stayed in Aspen for the night.
