Sunday, October 18.

President had church, Business Council, and work on UN speech. He called couple of times in later afternoon. Pleased with yesterday. Thinks McGovern, et al., must be having fits today trying to figure out how to handle it. They are in a difficult dilemma - damned if they do or don't.

President had some ideas again regarding additional stops - and is fed up with UN speech so said he'd campaign Wednesday of this week, which we had held clear. We won't do it. He will be hard to focus on anything but the campaign from here on out.
