My dear Mr. President:

I thought you might like to see the enclosed photos of the architects rendering of the main house and guest houses on Grand Cay. We are now about 65% complete on building construction, road paving, bridges and all other facilities with completion date set at May 10th.

The panorama from the balcony of the master bedroom (upper left on house) is something not to be believed.

Regards,

Bob

MEMORANDUM FOR THE PRESIDENT

FROM: Paul W. Keyes

I want you to know how deeply I appreciate the gathering in the Roosevelt Room yesterday on my birthday.

Despite all my bravado, I get a chill everytime I walk into the White House - and the fact that you and those close to you would even consider honoring me as you did yesterday gave me the greatest moment of my life.

I thank you - as my friend and as my President.

RESPECTFULLY,

Jack Naylor of Mudge, Rose, Guthrie & Alexander advises that he is inventorying the President's property in his old New York law office.

He has already sent the inventory of the books to Dwight Chapin.

Marje -- here is a supplement to the
list of files I sent you from New York...

Helen Moroz is keeping an eye on the files
until we let them know what to do with
them.

Also, note her question.....

MEMORANDUM TO MRS. HIGGINS

FROM HELEN MOROZ

RN's office at 20 Broad

Please correct your copy of inventory to show File IV held 2 drawers of 1966 correspondence and 1 drawer of RN's speaking engagements for January to May, 1966. 4th drawer held RN's social club year books and copies of Gallup Reports. [It was listed as 4 drawers of correspondence]

QUESTIONS: Would RN like to have photos of his mother and dad?

Should an inventory be taken of entire room? Mr. Tannian said he only handled file material at warehouse when Loie Gaunt was here and nothing was inventoried in RN's room. Presumably Mr. Naylor or Mr. Ritzel should be in charge of this.

RSVP if I can do anything for you in this connection.

Dear Rose:

Please advise the President we are arranging to have Attorney General John N. Mitchell issued an invitation by the Board of Directors of the Bohemian Club to attend this summer's Grove Encampment, July 11 to 27.

It would be also a privilege for us to have him as our guest at the Owl's Nest camp. Since I am not acquainted with Mr. Mitchell will you be kind enough to alert him when I write of my identity and association with the Club. Bob Finch already has been invited to the Grove and the annual Owl's Nest breakfast.

I assume the President is getting pressures from many well-meaning Bohemians urging him to attend this summer. Personally there is nothing I could desire more, but there are two or three compelling reasons why I think it would be inappropriate. I do not wish to disclose them in writing, but I could give them to you in capsule form in a few minutes on the telephone.

Warmest Personal Regards and Happy St. Patrick's Day.

Faithfully,

Harvey

P.S. We enjoyed your Vatican TV appearance, but certainly felt for you when you returned to find your apartment ransacked.
