Dear Mr. President:

The Camp David blazer, with the attractive insigne, is a precious possession, and I am deeply grateful to you for giving me one.

The weekend at Camp David in celebration of Julie's and David's graduation was one long to be remembered. It was gracious of you and Mrs. Nixon to include me in the party.

With esteem,

Sincerely,

President Richard M. Nixon

Mrs. Spira Theodore Agnew

Dear Mr. President,

The family and I appreciate the thoughtful note of sympathy that we received from you and Pat.

My Grandmother was, indeed, a wonderful woman and will always be an inspiration to me.

Sincerely,

Judy
