MEMORANDUM FOR JOHN DEAN

FROM ROSE MARY WOODS

A handwritten signature in cursive script, appearing to read "Rose Mary Woods".

Would you please advise whether you think we should send a letter from the President in reply to the attached?

As you know, Arthur Summerfield was the Postmaster General in the Eisenhower Administration - and before that was Chairman of the RNC. I am sure the President would be glad to recommend them -- it is just odd that they would use his name.

Please advise.
