Wiley Buchanan re Rhode Island Race:

Chaffee - reversing his decline which has been going rapidly - is now ahead 10%. Actually what has happened -- the Democratic support for Pell with the younger people had slipped - so it was not because Chaffee has improved.

I have gotten him a lot of labor support -- and have been helping ~~De Simone~~ De Simone too -- but now they are going to bring Jackie Onassis in to help bolster Pell's campaign.

We have gotten the hard hat type of people -- this is the guy from Boston that I first started working with.

It is incredible.

Mrs. Chaffee -- she is shy - she doesn't want any of it. They got a really good film which I saw before it was put out. Now we have some of those pictures in the Women's Feature where maybe it will help.

Re the watch Mamie ordered -- O'Dell said alright I will send her a bill. But then he said he would accept the check and not cash it -- Wiley told him he would cause her a big problem in accounting -- so I don't know what the man decided to do.
