TO: H. R. HALDEMAN
FROM: L. HIGBY
RE: CHRISTMAS TRANSPORTATION FOR
MISS JOAN CARROLL

At the start of the campaign Joan was brought back here on a temporary basis by the scheduling department to assist Nick Ruwe and others in scheduling operations. During that time she has maintained an apartment and other business affairs in ~~the~~ California ~~area~~.

It now appears she will be joining us on the White House staff one way or another, and it would seem appropriate that she have an opportunity to clear up her affairs in California.
Recommendation: Transition Committee pay one round-trip transportation for Miss Joan Carroll to allow her to clear up remaining affairs in California.

A handwritten signature in black ink, appearing to be 'ORH', is located in the lower right quadrant of the page.

MEMORANDUM

TO: DWIGHT CHAPIN
FROM: BOB HALDEMAN
RE: RN APPOINTMENTS & SCHEDULE

RN wants to consider making a phone call to the lead Astronaut on the moon shot before they go off on the 21st.

He also wants to consider attending debriefing of the Astronauts after they return to earth, and would like to have Lee DuBridge go with him. This should be checked out discreetly, because he does not want to go to the debriefing if LBJ is planning to be there.

Will you please investigate and have in mind for schedule planning.

RE: RN APPOINTMENT: GOV. BABCOCK

Governor Agnew reports that during his conversation with Governor Babcock regarding the Cabinet appointments, Babcock mentioned that he will be in New York area Monday or Tuesday and wants very much to meet with RN at that time.

I suspect that by then RN will be ready to meet with him, and therefore you should check this out to see whether an appointment should be set.

TO: RON ZIEGLER

RE: PERSONNEL

We still have staff announcements pending on Ed Morgan as Deputy Counsel, and Chuck Stuart and Bud Krogh as Assistant Counsels.

We should probably go ahead on these three if Ehrlichman agrees, and then hold up a bit on the others that I discussed with you. We will decide what to do on those in another week or so. You might remind me to reopen the question at that time.

RE: Kevin Phillips

Kevin Phillips had the following paragraph enclosed in a recent memorandum to me:

"I understand that Messrs. Haldeman and Ehrlichman are commissioning or requesting some analyses of the 1968 election viz the impact of Wallace, the RN slippage in Massachusetts, New York and Pennsylvania and so forth. I have much of this analyzed in great detail, but I have not sent it to anybody. I presume that you will let me know if you want any of this material made available."

If you desire Kevin's input on this matter, please contact him directly.
