RE: BUFFALO, N. Y. VISIT ON OCTOBER 17

Following is background re comittment for RN stop-by at Polish Union Hall during trip to Buffalo:

This stop was set up and virtually confirmed by the local group some time prior to our Advance Man's arrival in Buffalo.

The local people are acting upon a comittment made by the Vice President during his last visit to Buffalo earlier this year.

I was riding in the Vice President's car at the time he told Senator John Cooke, Erie County Chairman that he definitely wanted to have Cooke set up a meeting with the Polish group at the time of his next visit to Buffalo.

At present the status is that the stop is confirmed for a 20-minute period for remarks by the Vice President at the Polish Union Hall.

I recommend that we not make any change in the existing plan.
