October 14, 1960

Mr. Charles L. Albertson
1655 Sixth Avenue
Rockford, Illinois

Dear Mr. Albertson:

I am replying to your letter of October 11th addressed to Mr. John Ehrlichman. Mr. Ehrlichman is still travelling throughout the country doing Advance work for Vice President Nixon and has asked me to send you the material requested.

Under separate cover, I am sending you a partial group of the speeches given by the Vice President since the start of the campaign. Because the files did not have sufficient copies of all speeches, there are probably about 10 or so missing. I do hope that these will be of some help to you, however, in preparing your paper.

Sincerely,

(Miss) Christine F. O'Polka
Nixon-Lodge Advance Headquarters
