Dear Bob:

In accordance with your letter of October 29 addressed to Mr. Weinberger, I am enclosing two sets of clippings in connection with the September 12 visit to San Francisco and the November 4 and 5 visit.

Just for the record, we had no request from the advance men for newspaper clippings.

Also, to explain the delay in forwarding them in response to your request, your letter of October 29 was postmarked November 1 and sent regular mail, arriving in San Francisco yesterday, November 7.

Sincerely

Newton Stearns
