MEMORANDUM

January 10, 1962

To: Mr. Irving Ferman

From: Mr. Bob Haldeman

Assemblyman Don Mulford from the Alameda County area says he has a close friend who is Treasurer of the National Home Builders, very active in national Jewish organizations, a Democrat, very close to the White House and a personal friend of JFK, a millionaire, 43, active in the Jewish underground on civil rights.

He wants to be for Nixon and help on the Jewish and Negro situations. Is very concerned about the Birch Society.

He will be in Los Angeles January 18-19 with Mulford and wants to see me, and possibly RN, at that time.

His name is William Blackfield.
