WASL - 8:00A

1) Oct 15 Plan:

- Maguire suggests we close down in sympathy - (RN is going to do south which is very difficult - he is going to be the 1st Pres. to lose a war - it is not his war - LBJ's war -) Followed organizing this are good people.
 - "Let's make a come fire on Oct 14th - that will show the little bastards" - Maguire - "Take away the day" - 2.
- The people involved are McCarthy workers - Maguire knows them.

Rose = - Day ~~away~~ of prayer to end the war get the people out

If the P can keep the north opposition isolated + pacify the non-violent - he will have more time to work out.

Maguire = Use the demands to say "P for Peace - the Center for Peace" - the evening of Oct 15th - P could go on TV and speak out.
